

UNESCO Chair in Community Based Research &
Social Responsibility in Higher Education
in collaboration with
National University of Educational Planning &
Administration (NUEPA)

invites you to the launch of **Knowledge for Change (K4C)**,
an international initiative to train next generation researchers in
Community Based Research

13 November 2017

3 pm to 5 pm

at **Lecture Hall-1, NUEPA,**

17-B, Sri Aurobindo Marg, Opp Adchini, New Delhi, Delhi 110016

Join the dialogue between country representatives from **Canada, India, Indonesia, Italy** and
South Africa on the need, potential and scope of standardised CBR training across the world.

Meet university vice-chancellors, registrars, professors, students, civil society practitioners,
policy makers, representatives from multilateral agencies and share your experience.
